# CONSISTENT LOOK, FLEXIBLE CHOICES

Promotional clothing doesn't have to be one-size-fits-all. Within our range we've developed special series where different models are available in the same high-quality fabrics and matching colours. This way, everyone can pick the style they like best – whether it's a classic crewneck, a hoodie or a full-zip – while you keep a consistent and professional look for your brand.

# THE WASHED COLLECTION

UNIQUE FINISH,  
BOLD CHARACTER

Following the latest trend in casual, lived-in style, we present a selection of washed items that bring character and individuality to promotional clothing. What makes these pieces special is the unique acid wash treatment they undergo. Gentle bleaching and dyeing create subtle colour nuances - lighter and darker areas that give each piece a distinctive, lived-in look. The result, a soft, familiar fabric with a bold, individual character.

Every item can be personalised with a logo, making it a unique, branded piece that stands out while staying comfortable and stylish.

# LET'S ELEVATE YOUR BRAND

In the world of branding, consistency is everything. Consistent look, consistent feel, consistent values. And of course, consistent high quality. Those who take branding as seriously as we do are only satisfied when their brand experience perfectly reflects their brand identity. Down to the very last fiber.

When it comes to printed clothing, this is where the bar should be set. Brands that are worn with pride are brands that last. Elevated in people's preference. This is what Elevate is all about. It's in our name; it's in our nature; it's in everything we do. From the design, to development, down to the actual delivery. We're right on top of it all. That's how we guarantee quality and consistency for every single piece of branded apparel we deliver. Suited for everyone, every single time.
